Tribute from Nancy Rondeau

Hello Lyse,

We are extremely saddened to learn of Paul's passing. The three of us have fond memories of meeting you both when you offered your condo on West 8th for rent. We were all so pleased that you selected Stephanie over other applicants to live in the unit. It was just right for her at that time, she enjoyed living there. We were fortunate to meet and get to know a little of you and Paul in the process. We join together in expressing our heartfelt and sincere sympathies for your loss.

Peace, love and light be with you,

Nancy, Bruce and Stephanie

Chère cousine, je ne trouve pas les mots...voici une prière amérindienne, elle m'a réconforté au moment de la perte de mon âme soeur. J'espère qu'elle appliquera un baume sur ton cœur.

Quand je ne serai plus là, lâchez-moi !

Laissez-moi partir

Car j'ai tellement de choses à faire et à voir !

Ne pleurez pas en pensant à moi !

Soyez reconnaissants pour les belles années

Pendant lesquelles je vous ai donné mon Amour !

Vous ne pouvez que deviner

Le Bonheur que vous m'avez apporté !

Je vous remercie pour l'Amour que chacun m'a démontré !

Maintenant, il est temps pour moi de voyager seul. Pendant un court moment vous pouvez avoir de la peine.

La confiance vous apportera réconfort et consolation.

Nous ne serons séparés que pour quelque temps !

Laissez les souvenirs apaiser votre douleur !

Je ne suis pas loin et la vie continue ! Si vous en avez besoin, appelez-moi et je viendrai !

Même si vous ne pouvez me voir ou me toucher, je serai là,

Et si vous écoutez votre Cœur, vous sentirez clairement

La douceur de l'Amour que j'apporterai !

Tribute from Jane Etzkorn/Mike Gatey

Relation: Friend and colleague

It is difficult to say goodbye to such a unique person. Paul will truly be missed.

Paul was always entertaining to work with from calling management on Sunday mornings at 6:30 so he could advise them on the defects of the company to planning renovations on my house. Great pilot and never a dull moment.

We hear about his exploits as a bush pilot at Parsons Airways before we met him at Air B.C. He was a character through and through.

He shared his passion for aviation history and was always determined he was going to track down one of the caches of "hidden aircraft" from WW2 that was rumored to be buried in various places around

the province.

All in all he was a passionate, intelligent person with a unique sense of humor and zest for life. And always had room for a tuna sandwich.

Am so glad that you and Paul found each other Lyse and shared the time together that you did.
