Tribute from Bernice Alger

My heartfelt condolences to Andy's nieces Anja, Lidia, Christine and Annette. You have lost a wonderful uncle. You were his only blood line and he cherished you with all his heart.

Thank you for sharing him with me. I will miss his love and devotion but will cherish our memories forever. R.I.P Andy.

Tribute from Mike Gallagher

Andy was a great friend who we met on the beach in Zihuatanejo, where we then spent time together the last several years. I will miss his friendship and smile and welcome and passion for life and fun.

Tribute from Arden Poitras

Andy is missed at Monday morning bridge greatly! He always had a quick come back for anything Des. would suddenly say to him and before you knew it we were all laughing. I would often run into Andy at Crescent Beach and he would stop and visit. We shared many stories and bowls of soup following a particular harrowing day of bridge. He was an asset to our community. He told us of his happy trips with Bernice and how good they were together. RIP Andy.

Tribute from Jenny

I feel blessed to have had both Judy and Andy in my life and was honored to to have them as my godparents. Andy's zest for life was contagious and his spirit will never be forgotten.

Tribute from Phil and Kimberly Woodworth

" I hold you tightly within my heart and there you will remain; you see, life has gone on without you, but will never be the same."

Even though we were just beginning to get to know the wonderful, many faceted man that was Andy, we will still miss him and remember fondly the few precious memories we do have and continue wondering what was behind that mischievous twinkle in his eye. Thank you for sharing the last few months of your existence with us and more importantly for putting a smile on my mom Bernice's face. Rest in Peace Andy

With heart felt condolences
Phil , Kim and family

Tribute from Elizabeth and Al Kimmel

We enjoyed your company on our too few visits Andy. Our sincere condolences to the friends and family you have left behind. You will be greatly missed.

Tribute from Bernice Alger's siblings

Our heartfelt condolences to all of Andy's family and friends. Even though most of us were not fortunate enough to have met Andy, we were introduced to him via Bernice's smile, the lightness in her voice and the sparkle in her eyes - and we knew what a fine man had come into her life. We regret that we will not be able to meet him in person and we join with you in mourning the loss of a true gentleman.

Tribute from Lorraine Larson

I did not know Andy really well however on shareing two of his passions - Airedale terriers and bridge do wish I had known him longer.... It was during the Monday morning bridge games that his humour and fun loving zest for life and people was noted and his cheerful and competitive spirit will be missed. Happy moments ahared in life, however fleeting and momentary are not forgotten by those who were touched by them.
