Bakerview Community Crematorium & Celebration Centre Staff send our condolences to family and friends.

Tribute from Heather C. O'Brien

Relation: First cousin

I will always remember how well Angela took care of everyone when she was here in Newfoundland for the reunions - she was so motherly! She was fun, laughing, and the life of the party. When she was last here, my clearest memories of her was of her laughing with her girls. She told me how much she loved being a mother -and you could see this. She was even the mother in her skit for skit night. Rest in peace, Angela. There is a void on this Earth now - you will be very missed.

Tribute from Mike Burke

Relation: Uncle

We will miss her laughter and large smile, she loved to have fun and enjoyed being part of such a large family. She loved her dad so much she could barely take his passing last year, and her kids were her life. She had a big heart and died far too soon and too young. We will miss her at the family reunions, but will always remember her. She is with her dad again in heaven. Love and miss you niece, Mike, Val, Shelby and Cam.
