Bernhard Vomberg

March 27, 1937 - May 6, 2020

With great sadness we announce the sudden and peaceful passing of Bernie at his home in Hope BC. Born in Germany, he immigrated to Canada at a young age. He is predeceased by his parents, son Glen, and son in law Paul Ovesen. He is survived by Lilly, his loving wife of 36 years; son John (Roz), daughter Kathleen (Pierre), step daughters Dawn (Lyle), Wendy, Laurie (Max), special sister-in-law Anita (Rick). His grandchildren; Ray, Christopher, Eric, Angie, Kyle, Garrett, Shane, Cody, Dylan, Chris, Candice, and Breanna. Many much loved great grandchildren, sisters-in-law, brothers-in-law, nieces and nephews.

Bernie apprenticed for his mechanics degree in Germany and completed his master mechanic and hydraulics training in Canada. He was a dedicated mushroom hunter and wrote a do-it-yourself guide to locating, harvesting and selling pine mushrooms. His hobbies were many and varied: amateur artist, hiking, camping, fishing, hunting, gardening, rock artistry, endlessly checking the river for gold, travelling, photography, meeting people, telling stories, and talking ... talking ... talking! His most recent hobby - grapes!

At peace with his beloved "beest" Frou Frou and all his four legged friends who have gone before.
