Tribute from Dave Haralds

Relation: work colleague and friend

Brendan, Daneel, and Levon,

The Employers' Adviser Office (EAO) would like to offer our heart felt condolences, in the passing of your mother and our dear friend & colleague. Brenda was proud to be part of the BC Public Service and dedicated EAO team member, but more than that, she was a wonderful friend to many of us. Her kindness, strength, and unwavering energy and positivity were an inspiration. We will deeply miss Brenda and all that she brought to our workplace and our lives. Since learning of her passing, many staff at the EAO have shared stories and experiences of Brenda's love of life, love of her children & family. She was always the first person to help, offer advice, make people feel welcome and feel included. She was a master at arts and crafts, many staff feel fortunate to have received a hand-made card or craft with a note of encouragement over the years, not because she had to, but because she wanted to. There were many a day, when you could walk by Brenda's office and she would be seen tapping her feet and bobbing her head to the sound of music, in her own world with a smile on her face, loving every minute. Her smile and positivity were contagious and was felt by everyone at the EAO.

All her friends and colleagues at the EAO share in the loss of a beautiful person so willing to connect, share her positivity, her humour, and her love of life. Rest in peace tiny dancer.
