Tribute from Tracy Carver

Dad, I miss you more than words can say. You were my best friend, my confidant, the person I went to for advice and you always shared your life's wisdom. We shared a lot of laughs and cried a lot of tears together, and made memories that I will treasure for the rest of my life. Jordan, Ariel, Drew and Hazel adored you, and your presence is so deeply missed by all of us. You were a true father to Burt, and loved him as your son. I just miss you so much, and love you so dearly; until we meet again, "toodles".

Tribute from Kathy Fecio

Knew Bud when he was a young and very handsome young man. He was part of our crowd. Always respectful, always polite, kind and kind of quiet. Very intuitive, very nice young gentleman. Always wondered where he moved to. My sincere condolences, he passed too soon.

Tribute from Larry Scarth, cousin

I am a cousin of Bud's. Our families used to get together for picnics and Xmas through the years. Bud had many aunts and uncles and cousins who all thought he was a great guy. Bud would stay out at our cottage when he was younger. One time he was on his way out to the cottage about 2 am and missed a turn and crashed his car. He somehow found his way to our cottage even though it was some distance. My Dad and his Dad put together tow ropes and tools and went back that night to tow his car out and back to our cottage. I remember waking up the next day and seeing a badly smashed car. Bud was okay but shaken up. The next day he spent most of the time just sitting at the dock. I remember Bud buying some neat cars like a 64 Impala conv. 67 Chevelle 396 and an Olds 442. Once he had them he would have to take them apart and change them. Uncle Rolly's back yard was his repair shop. Motors, transmissions and loud mufflers! When I was a kid I looked forward to getting the his hand me down clothes as they were pretty neat coming from the older cousin. So long Bud and thanks for the memories!

We had many special memories and moments that have shaped and moulded into my life and history ! He will be sadly missed by all his Scarth family in Edmonton as he became very closely twined with us all in recent years ! As my son Chris would say is that he was a rare old gem! He always took the time to listen and never ever passed judgement . We enjoyed all our many memories with you on the boat on Vancouver Island ! Thanks for always being there and I will truly miss my text messages of "How is bizz" !!! Love you always and forever and may you and Gran and Gramps have a special spot found for us all to meet again !! R.I.P
