Tribute from Lisa Balazs

Relation: Niece

My first memory is a birthday party in your back yard. Lots of decorations, games and such delicious birthday cake. Fast forward, such an exquisitely decorated home, each room with its own personality. Fabulous finger food, and such a unique and original Christmas tree. That big warm smile and voice that carried like a melody from a classic song and then of course those sparkling eyes that I see so vividly passed down through the generations. Baby showers with a little extra zest, perfectly steeped tea with pastries that gently requested that you try them all.
RIP AuntieMy mama will have the kettle on.
