Chrisann Stina Lindh

June 29, 1965 – February 8, 2021

Born, Vancouver, British Columbia

It is with great sadness that we announce the passing of Chrisann Stina Lindh. She suddenly suffered a stroke, that lead to her early transition on February 8, 2021. She has moved up to a place of unconditional love. She will no longer be in pain, and is at peace with her loved ones that moved on before her. Chrisann is only feeling bliss and serenity now, and with that we find peace.

Chrisann was predeceased by her father Hans Lindh. She was a loving daughter to Gloria Lindh, an amazing mother and friend to her children, Katrina Johanson and Kayne Isdale, their spouses Nicholas Powell-Baron and Lisa Metcalfe. She loved her grandchildren Sophia and River Isdale. Shared many years with Terry Isdale and they continued to be great friends. Chrisann was the best friend and a mother to countless people that loved her so much. She dedicated her life to helping and loving others. We will be forever grateful for her unconditional love.

She may no longer be with us in body but she is forever with us in spirit.

Thank you to everyone for your love and support.

A celebration of life will be decided upon once Covid-19 restrictions are lifted.
