**Tribute from patrick john turner**

I remember Dan as a hip cool guy who could grasp all of the wild ideas i came up with and either add to them or shoot them down with something comically insightful to put it politely. In our rich and full social life as kids Dan was often the Dj for our parties , providing new and funky music ,so much so I forgave him for the occasional Disco track he would slip into the mix . I don,t ever remember Dan being mean spirited our malicious to other people ,having said that he was not afraid to tell you if you were acting like a loser. Dan and I spoke about everthing under the sun over the years I knew him including his health problems, which he did not whine about but stared in the face and dared them to slow him down our try to take away his gusto , well they may have won in the long run , but he did not take any crap from them while he was here, Good luck on in your latest incarnation . I am sure your are attending the best party of your life and setting the tone with your music , I,ll see ya on the flip side , For my freind Dan the Man !!!!!!!!!!!!!!!!!!!!!!!!!!!!!

My Uncle Dan was truly something else. Seriously hilarious, and anyone to have had a minute with him know what I'm talking about. My heart goes out to My Aunt Mary-ann, my cousin's Jade and Court, my dad Mike, uncle Darcy, aunty Karen, aunty Debbie, and My Grandma and Grandpa. I'm lost for words. My heart also goes out to the rest of my family, we are all saddened with this void in our lives now, but this Lewis family is a strong family and Uncle Dan is setting the way for every single one of us. I will always love and miss you Uncle Dan. #Tragic.

**Tribute from Richard Peterson and the Peterson Families**

With deep sadness the Lewis / Peterson Family suffered another sudden loss. David and Lillian Lewis' son, Danny, (spouse of Maryann Lewis (Leopold), father of Jade and Courtney, son-in-law of Sharon Leopold, passed away suddenly this March 11, 2016. Not long ago, they lost their son-in-law, Jeff Fehr, (Debbie's spouse) of Kamloops, and their sister-in-law, Barbara Peterson (Richard's spouse) who lived in North Bay, Ont. These beloved members of the families will not be forgotten as many fond memories of each abound securely in our hearts forever.

Danny was a great nephew and good friend of many. Memories of growing up with him when his family lived in Ontario (1960's - 70's) and then in British Columbia will always be etched in our hearts. He thoroughly enjoyed meeting with family and friends from the East and West, spending time in enjoyable and debatable conversations with everyone. Our sincerest sympathies go out to his immediate and extended families in the sudden loss of Daniel.

The immediate relatives of the Dick & Cecile Peterson Families from North Bay / Sudbury, Ontario, including Sheila (Richard) Levesque; Richard (the Late Barbara); Wayne (Brenda); Beverly (Claude) Roy; Joe (Sue); Robert; Gary (Darlene); Brenda (Emiel) Goodreau, along with their children of different ages (Sean, Erin, Derek, Krista, Michelle, Jeff, Chris, John, Erika, Emily, Darren and Jaime-Lynn and spouses Glenna, Mary, Shana and Kris send their heartfelt condolences to the Lewis family.

**Tribute from Sandy Walters**

I did not get a chance to know Dan, but he worked as a volunteer while I was at Mission Community Services and I know all the seniors he took on rides loved his company and requested him by name. I am also friends with his sister-in-law Tammy, who is devastated. Having lost my husband of 17 years at age 50, my heart goes out to all the family now suffering this loss. I'll say a prayer for you all.
