DANNY ROBERT PROCTOR

Born April 19, 1962 - August 18th, 2023

Danny was born in Vancouver, B.C. His parents were Don and Isabel. Donna was his loving sister. Gail was his life partner for 41 years. Brad and Lenny were his good friends.

Danny was in a severe motorcycle accident in 1985. He suffered from health issues for many years. He was given tainted blood, which was Hep C. He later developed liver cancer.

Dan still rode motorcycles after this accident. He loved Harleys. He took his last ride to Richmond on July 10th. He rode a beautiful brand new black Harley-Davidson trike 1868cc.

Dan loved animals, and cared for his friends. He will be missed.

Fraser Canyon Hospital in Hope cared for Dan. The staff were very kind and compassionate. Thank you Fraser Canyon Hospice staff
