Tribute from Candice Morden

Grandma, I love and miss you so very much. We all do. You were so brave and strong for so long. We thank you for staying as long as you could. I have loved spending the past years with you, and am so glad that you and Frankie got to have such a special relationship. She is okay, and taking great care of your stuffed animals for you. I miss you Grandma, I miss you so much. I hope so much that you are now healthy, happy and with those who love you as much as we do. I love you so much. Thank you, thank you for being such an important and special part of my life... always. *hugs, kisses, and cuddles forever Grandma. I love you
