**Tribute from Colleen Lenius Koller**

To Don and all the Kleinfelder family, I have so many great memories of Eileen as we grew up together in Rockglen. My favourite was riding horses on your farm, and later camping on your property. Our entire Lenius family send our sympathy to all of you, and I remember my friend in my prayers. Sincerely, Colleen, La Verne, Keray and our Mom Florence Lenius

**Tribute from Judith Hellem**

I would like to express my esteem for Eileen. She had a big heart, true grit, was a 'real straight shooter' and always ready with a helping hand. She also had wonderful tales to tell about her adventures on the job! I'm sure her irreplaceable personality and character will be missed and fondly remembered by many. My deep sympathy to all her family and friends.

**Tribute from Brad Gueldner**

To the Kleinfelder family, so sad to hear of Eileen's passing. Dana, Philippa and I will miss her. I always admired her lively nonsensical attitude about people and life in general. From our common South Sask farm and ranching upbringings, I will always remember our "prairie talks and cowboy jargon". "They don't make them like her anymore". Our thoughts and prayers go out to her family and friends at this tragic loss. Dr. Brad

**Tribute from Karen Hedman**

To the Kleinfelder family: I was deeply saddened and shocked to hear of Eileen's passing. She was an extremely generous and kind woman with a wonderful sense of humour. She was so proud of her family and spoke often of her "brilliant" great grand child. I always enjoyed her company in and out of the office. She truly was one of a kind. Much too young to leave us. I am very sorry for your loss.

**Tribute from Linda Anne Gomez**

I was shocked by the sudden death of Eileen. Although I have not seen nor talked to her in a while due to my LTD from work, I enjoyed our chats and admired her determination and courage with respect to serving often difficult individuals. Her passion for horses was also expressed. We had a special ritual each day before she left the office. I will miss her very much. God bless you Eileen ... a new star in the sky. Linda

**Tribute from Jean Jenner**

Don: I am so sorry to hear about Eileen, we worked together at the Wheat Pool in Regina and I knew you when you were very young. I couldn't believe it when I saw it in the paper. We live in Chilliwack and the last time I spoke with your Mom - about a year ago. She was a great lady, I will put her in my prayers and am so sorry for your loss.

**Tribute from Carol (Borgerson) Halpen**

I just learned of the passing of Eileen. Sincerest sympathy to you Don and your family, and of course, all the Kleinfelder family. While both she and I worked in Regina, we shared many weekend trips between Rockglen and Regina - she was a whole lot of fun to be around.
