Tribute from Bakerview Community Crematorium & Celebration Centre Staff

Bakerview Community Crematorium & Celebration Centre Staff send our condolences to family and friends.

Tribute from Monica Barrett-Johnson

I read on Brad's Facebook page that his grandma had passed away. Although I did not know her long, she was a lovely woman who shared my husband's final month, and who kept us amused with her demands on the nurses. She was so much like my late Aunt Helen, and I enjoyed helping her when I could. I am sure she will live on in her family's hearts; she will in mine.

I am so sorry to hear of the loss of your sister, mom, mother-in-law, grandmother, sister, aunt and friend. My thoughts are with all of you and I hope the wonderful memories you all have bring you peace and comfort.

Tribute from Jack and Sheelagh O'Donnell

The number of times we saw Genieva at Gerry's family gatherings she always had a smile and greeted you with warmth and affection. She must have been a wonderful nurse in her day with her gentleness. What a wonderful legacy to have left behind so many children. It is always hard for all of the family, as well as her siblings to have lost such a special person. She will always be in your hearts.

Tribute from Angela Monk

Dear Fyffe family,

I am so sorry that I was unable to attend Genieva's funeral service. She was a feisty, funny woman whom I cared for very much. We had many great visits, especially when she was living in the same complex as Mom, and I admired her so much.

I am happy that I was able to visit and have lunch with her at Christmas in her new home. She will be

missed! My condolences to all of you.
Much love,
Angie
