Tribute from Gina

Relation: Through Brother Charlie

I only knew you through your brother, but I am so sorry that your years were tragically cut short. It seems so unfair, especially after the serious accident that you so valiantly and amazingly fought to come back not long ago ..

May God hold you..

Sending Deepest Sympathies to Son Thomas, Mom Elsie, Grandbabies, and all the family and friends

Tribute from Aunt Betty and uncle Ron

Hi Thomas

So sorry for the loss of your dad.

I wish I could have been there for you both.

He will be missed.

Love always.

Tribute from Patricia Coone

Relation: Niece

Cousin Thomas,

We send our condolences, love, and prayers of comfort to you as you remember the great things about your dad. We have lost 2 loved ones last year and know the void that it leaves but the memories of precious times overshadow that as if they are still with you.

I have many great memories of my Uncle George and the peace and happiness being in his presence.

He really did love the blues music and I remember there were times he loved to belt out in song and giggle afterward. He had an infectious laugh and joy in his face that no-one could be sad at those times.

Times of sorrow will come at the strangest of times and in many seasons but embrace them as these are times of love that you shared with him. You will see him again as God keeps His promises and has never failed us.

Sending much love and encouragement to you in these few weeks and months of piecing things back together.

Love, COusin Patricia and Family.

Tribute from Kelly Andrew

Relation: Cousin

Thomas,

I send my love and condolences to you and your family.

I have many fond memories and always enjoyed the times we spent together at Grandma's house, whether we were boating on the lake, playing street hockey, golfing (or at least trying to), or simply just lounging around.

I hope you're holding up - just remember that your dad was loved by many and will be greatly missed.

I am here if you need anything.

With love,
Kelly

Relation: Dear friend

There's not a day that goes by that I don't think of you George! You gave me so much insight of how to handle things out of my control. Your passing so suddenly stunted me, but I hear word words ringing in my heart. You left but I will always hold you close
