Relation: My friends father

I hadn't seen Mr Sullivan for a lot of years because I moved to toronto.ten year's had passed and I came to Surrey stop in to see Paul and Mr Sullivan was outside with his usual smile when someone was coming up the driveway.Hi Mr Sullivan Hi Daryn he remembered my name we talked for 45 minutes.he was an amazing man.All my cars from 16 to 30 years old that I had I always would take him for a spin the one he liked the most was a Morgan convertible he knew more about than me. I remember when we would talk he made me feel like his equal.when he gave advise the way he did it you feel like you figured it out buy yourself almost.i couldn't say enough about how smart funny kind giving he was.God has got a pretty big pair of shoes to fill. Kurt, Kelly, Kim and Paul my heart goes out to you all .I am so thankful for getting to meet such a great great man.i truly miss you
