My life has been greatly enriched by knowing precious Hulda. "Thank you Lord for putting her in my life."

Adding to this enrichment is knowing and loving so many in her family.

My thanks for arranging to have Hulda's memorial service available for viewing on the internet. My tears will be mixed with yours.

God's grace will be sufficient during this time of temporary separation.

With love and prayers, Carrie Cleaver

Tribute from Leanne Wall

Grandma touched so many lives. She was a woman who truly lived out her faith and brought so much

joy to many people. One of my favorite memories was when she sang at Luke's and my wedding when she was 94. When she got up to sing, with twinkling eyes she stated, "well I'm 94 and nobody can tell me what to do now" She proceeded to sing her song so wonderfully. Grandma Koop knew just how to make people feel loved and welcomed. She embraced me with open arms when I married into the family, and we had some great times visiting together. I will miss her so much as I know that the rest of her family and multitudes of friends will, but knowing that she is in Heaven singing praises to God makes it easier to handle. Thank you Grandma for being such a light...may the light that you shared with many continue to shine on for God.

God Bless You dear Hulda. I loved the fact your faith kept you strong but oh how I loved your sense of humour! When I was the manager at Carrington House, you phoned me to say you we're moving out. After much discussion on what I could do to change your mind you said you had to go, with that I respected your wishes and wished you well....you then came back with "April Fools" xo

I have very fond memories of your mom, from the songs she sang for me at Carrington House to the wonderful stories she told through the years I visited her. I loved her evangelistic approach to all she met, her love of the Lord was truly evident which is an awesome legacy to her family, she left a blessed inheritance .

Tribute from Sheila Demers

Robert and I wish to offer our heartfelt condolences to all of the family. I first met Sharon in 1968 when dating Robert and over the years met Esther, Joy, Paul and Faith. I would see your Mom while visiting Helen Strohmaier, another friend at Carrington House. It was always such a joy to see your Mom and her beautiful smile and hear her kind words. All of you are in our thoughts at this time. Lovingly, Sheila and Robert Demers and our Family

Tribute from Rhonda , Derek and Savannah Martin

I am the daughter of Ruth Renwick and my grandmother was Annie Dorksen and great-grandmother was Evea Goertz. To all the family praying Gods comfort. What a blessing she was to be around, she encouraged me every time I saw her with words of wisdom and her joyful smile .I was so blessed that she sang at our wedding reception. I not sure what song it was but I think it was a hymn. I recall Derek saying that was so nice with a deep look of pleasure on his face! I told her later what he said and she sad, " Wow, wow, wow he liked it." I thought of her response often and it made grin from ear to ear. An honor to have known her. Love and hugs.
