

REMEMBERING
Jack John Reiser

August 16, 1934 - September 25, 2012

Reiser, John (Jack) August 16, 1934 - September 25, 2012

On Tuesday September 25, 2012, surrounded by his family, Jack passed away peacefully at home in Mission, BC. He is survived by his loving wife Dolly; Daughters: Janice, Darlene (Randy), Dollina and Son Buddy (Rita); Grandchildren: Dollina, Derrick, Amber, Dallas, Meghan and Maddy; Great Granddaughter: Jenna; and Sister Jean (Jack) living in Jamaica.

Jack was a long time member of NA and helped many people in his life time. He is sure to have saved a few lives with his guidance and knowledge of the twelve steps. Jack's commitment to the program lasted through the final days of his life. With him went all of the life secrets that were shared with him from fellow addicts.

Jack was well known in the labour movement. He was the first vice pres of the Duncan local of the IWA. Even after his early retirement, he continued to support the philosophy of the labour movement in BC.

Jack will be missed deeply by his dear friends Mary and Dave along with the "Infamous Mens Group."

The family would like to thank everyone for their love and support through Jack's illness. Thanks to Hillcrest Clinic (Dr. Jackson), Dr. Potter and Carol, RN from Mission Palliative Care.

Celebration of life to be held at Bakerview Community Crematorium in Mission.
