Rick, Bev, Robbie and family. Our sincere condolences to you all with the loss of Jason. So many memories of the fun our families had together when the kids were young. Our boys spent so much time together just being "boys", most times were good but sometimes they had some explaining to do! We would not have had it any other way as those are the memories that have a special place in our hearts. Rest in Peace Jason, Love, Rick, Gerri, Kris, Jeff & Joel Vaugeois

I am so sad to hear of Jason's passing. I am glad to have known him and know he really was a great dad. He did so much with them and keeping the family together. I remember going around Dino town with him asking relationship advice. He took it in stride with two young boys plus us. Rhys was super sad to hear of Jason passing as he too remembered Jason being kind and super wonderful. Jason and Simone took him to his first big truck event. He rocked.

I would very much like to express my sincere condolences to Jason's family and particularly to Sadie and Jacob. It is unimaginable to think if the loss and grief that would come from having someone as vibrant and outgoing as Jason to suddenly and inexplicably disappear from life. I spent a lot of time with Jason at various times in his life and I got to know him well, including his competitive nature which nearly did in the pair of us on walk around the lake at Ruskin. I as the old guy thought I had to at least keep up with Jason, the younger guy, and he thought he had to at least stay ahead of the old guy, thus we made the trip in very quick time and showed up totally worn out at the end of the trip, where the discussion that followed made it pretty clear that we had kept the throttles floored for no purpose other than to avoid looking a tad weak. Memorable.

My particular condolences to Sadie and Jacob...I hope both you hold up and remember the good times with your Dad. If you need anything and I can help, please give me a call any time.
