#### **Tribute from Mike Stack**

Relation: Friend

I am so saddened by this news, but grateful to have known Jason. We spent some time together in the past few years, became close through a common journey, and helped each other through good times and challenging ones. Jason's distinct laugh is ringing in my ears today, his generosity in my heart, and his sense of humour in my smile as I remember him for the good man he was. May he journey onwards peacefully.
