**Tribute from Lenore Clark**

To Bruno, and to Joni's family: Joni was a shining example of grace and courage. I will miss her terribly, as will all those who knew her. I'm unfortunately out of town on the day of her celebration, but I'll be thinking of her, and you, and I'll bake some blueberry muffins for the crew at Black Press in honour of her memory. Blessings to you all, and my sympathy on your loss.

**Tribute from Ann Corner**

I am very saddened to read of the passing of Joni. I remember Joni as a very strong, courageous woman with a zest for life. Bruno, Ken, and family: I am so sorry for your loss.

**Tribute from Laura champion**

Joni is my inspiration. When she and Ken offered raise money for and be part of the fundraising at CCC she was such a delight and through our back and forth she became my friend. We continued to exchange emails long after the work was done each one making me feel her strength and determination more and more. While we never had the chance to meet in person I will miss her and our connection.

She was truly a beautiful person inside and out and inspires me to be better and do more every day.

I am so sorry for your loss. She was such an extraordinary woman.
