My sympathy to Margaret's family and the friends we shared in Mission. I loved Margaret for her generosity, her warmth, and her sense of humour. She was a great help and inspiration to me during some rough times in my life, and I will be forever grateful.

Tribute from mary horton

Many years ago while embarking on a career as a gymnastics judge, I would have been discouraged

at the daunting task, but Margaret was a wonderful strong, calm and encouraging mentor. In the years we knew Margaret, we were impressed with her humour and kindness and we remember her fondly. Our condolences to her family. Phil, Mary and Leslie Horton.

Margaret was a wonderful lady that I had the pleasure of working with in Corrections in Mission and I met up with her again at the Retirement Home where I volunteer.

Tribute from Karen Holmgren

Heartfelt condolences to the family on the loss of such a wonderful lady. She was a well liked, very strong woman who enjoyed life in our retirement residence Cedarbrooke Chateau/Chartwell Cedarbooke and was an inspiration to us all. I left my position as GM in October and was unaware that Margaret had lost her hard fought battle. May she R.I.P. and we all are all better for having known her :)

Tribute from Richard heriot

I worked with Margaret for years in Csc and she was always a pleasure to deal with. I will truly miss her and considered her a friend and colleague. My condolences to her family.
