So very sad to hear about Mark. We first met back at Windebank elementary in grade one. We grew up together, played together from kids games to hockey. As time grew on life got in the way and our paths went onto different directions. He will be missed and there will always be nice memories of such a good man.

So sad to hear of Mark's passing. I've known Mark since he was just a young boy going to school at Windebank, my children went to the same school. My husband and I are friends of his mom and dad. He was always a happy go lucky fella with a very infectious smile. He will be very missed. My thoughts and condolences go out to his family.

To my dear friend Mark. A boy I met in grade 1. A boy who I knew my whole life. We had so much fun growing up together with all of our friends in the neighborhood. You always had a big smile and laugh. My first boyfriend in grade 5, hahaha. Remember the parties in your parents' basement? Looking back it seems hard to believe!!! I have shed many tears for you, but I am thankful that you aren't suffering anymore. God bless xoxo
