Marlene Dolores Colston

August 27, 1941 - December 14, 2023

Tribute from Bakerview Community Crematorium & Celebration Centre

Bakerview Community Crematorium & Celebration Centre Staff send our condolences to family and friends.

Tribute from Sharon Gatto

Relation: Life long friend

Many get togethers/good times/challenging times throughout our lives were shared with Marlene from our teenage years right through growing up years and all fondly remembered - she was a good friend and a nice person to know and will be missed not only by Rick and her children/grandchildren but by all of us who knew her.

Tribute from Tom and Dianne Carras

Relation: Neighbour

Rick, our thoughts are with you during this time. Cherish the memories of Marlene and Dean, they are with you always! Love Tom and Dianne

Tribute from Dorothy & Eric Taylor

Relation: Acquaintances from Campers Paradise from 1998 to 2011.

We are sorry to hear of Marlene's passing. We remember Marlene and Rick from Campers Paradise. Our thoughts and prayers are with your family.

Tribute from Gary Edmunds

Relation: Through Rick. We worked together at Queens Park Hospital.

To Rick and family: So very sorry to hear of the tragic double loss in your family. Remember the good times many years ago at your home and time spent with you both. Also the visit to my home in Sunshine Hills when Dean brought his drums to perform. My thoughts are with you and the family at this sad time in your lives. Remember too the time we spent together at Queens Park and the occasional lunches.
Best wishes and kind regards, Gary Edmunds.

Tribute from Freda Mihalicz

Relation: Camper's Paradise buddy and visiting Abbotsford Hospital when my Dennis had his amputations & Marlene's stroke.
My sincere condolences to you Rick and the family! I am always remembering the "good old days" at Camper's in your cul de sac as THE meeting place! Rick, you and Marlene had an "open arm" atmosphere to us all. Then when my Dennis was in hospital, having his amputations, You were there caring for Marlene shortly after her stroke and again showing your compassion and friendship! Marlene was a quiet ,strong little lady that loved her world around her. Loving memories are to be held dearly in the heart as you get through these tough days without our loved ones. Please take care of each other. God Bless you all.

Tribute from Lorraine Dickman

Relation: Close friend

I shall have remember Marlene as my dear close friend who I was honoured to know for over 37 years and who I worked beside for 14 years. I was one of the many who was the recipient of her kind and gentle heart. I know she prayed daily for me and my family; and I shall miss those precious prayers and the friendship we shared. My heart goes out to Rick and to Cindy as they mourn the incredible loss of Cindy & of Dean. May God's peace surround you during this difficult time. With love, Lorraine.

Tribute from Clare Moriarty

Rick and Cindy - I'm so very sorry to hear of the passing of Dean and Marlene within days of each other. I suppose there is some comfort in knowing they are together but it leaves such a large whole for those left behind. I have lovely childhood memories of both Dean and Marlene. I hope the pain of their loss will soon be replaced with fond memories.

Tribute from Kimberly Mercer

Relation: Childhood friend of Cindy Simpkins

To Rick + Cindy!

I am so sorry for your loss of Marlene and Dean (aka. Chris....as that was what we called him back then). I remember how kind and so loving your Marlene was when I came over alot to hang out with Cindy, how she drove us to the mall and the roller rink back then. I stayed over many a times and enjoyed all her home cooked meals. Dean was always playing his drums and always had an audience...ha ha! So long ago but good memories! I remember driving with you Cindy to your mom and dads trailer in the U.S....so many fond memories. I know they are together and I pray continually for you Cindy and Rick for comfort and Gods constant presence and strength to help you through the grief. Your in my thoughts!
