Short of words. Can't believe you are gone. Pray for comfort for your children, husband and family. Far away in Nigeria but will endeavor to be at your celebration of life. Ah, Nicole, you were a good soul, genuine, compassionate and caring. Life!

Tribute from Tessa

Relation: Childhood friend

Nicole and I met at Stride Community School at a very young age. We became very close friends and were always at one another's house hanging out, listening to music and eating everything from the fridge. Sorry for eating all your peanut butter Michelle and Amanda! We became even closer in high school - I loved my friendship with Nicole because she was always unapologetically herself, hilarious and she always had my back. After I moved away we lost touch, but I thankfully reconnected with her last summer. I am so thankful to have had that afternoon with her reminiscing, laughing and crying. One thing's for sure, her children were her biggest pride - she couldn't stop sharing photos of them with me. I'm going to miss her so very much and my heart goes out to her entire family and extended family. I love you so much Nicole and I'll hold you in my heart always.
