REMEMBERING

Nicole Leann Belland

July 24, 1986 - June 24, 2022

Belland, Nicole Leann

It is with profound sadness that the family announces the passing of Nicole Leann Belland, nee Tinsley, on June 24, 2022. Survived by her husband Marc, children Danica and Junior, mother Alison, sisters Michelle (Jordan and Jayce) and Amanda (Justin) and predeceased by her father Bob and father-in-law Lory. Nicole was born on July 24, 1986, and was raised in Burnaby with her extended family, making many memories up on Capitol Hill. Nicole met Marc after high

school and with their children, made North Delta their home for the last 12 years. Nicole was a

caring and generous person who loved her people like crazy. She was not shy, always had a

story to tell and laughed often. Nicole will be deeply missed by her numerous aunts, uncles,

cousins, nieces, nephews, extended family, close friends who were family, and everyone else who were lucky enough to spend time with her. Please join the family to celebrate Nicole on

July 24, 2022, from 1pm- 4pm at Bakerview Crematorium and Celebration Center, 34863

Cemetery Ave, Mission. Nicole’s favourite saying was “Ohana”, which means family. Family

means nobody gets left behind or forgotten. That’s what everyone was to Nicole, and we will never forget her. Be free now, Little One. We will love you forever..
