Tribute from Sharon Mesaros

I was so sorry to hear of Norman's passing. Although I haven't seen Norm in years, as a youngster, he was a neighbour, then as a young worker, Norm was a mentor and friend. I have many fond memories but a favorite is when Norm came to look at horses with me. We'd look at a horse and He would say "Yes, it's all horse". I would ride it and ask Norm if he wanted to ride, he would say, "No, you're the one buying, you ride." Till I was trying out a particular horse and Norm said "Get off and let me ride" I knew that was the one to buy!

God Bless you Norm! I'm sure you're in heaven riding right now!
