I’m very sorry you lost a grandma a mother a aunt and my good friend. I’ve known patsy for most of my life she was my friend and like a mom she helped me with a lot of problems and always was there for me. When ever I was down and out she lifted my spirits, her family was so lucky to have her. I will miss this lady forever I love you patsy for ever. Until we meet again rip love Michele Robson.

Our Condolences to the whole family.Patsy was a wonderful, loving, kind, witty, and generous lady who will be missed by everyone who has been lucky enough to meet her. One of the last things that Patsy said to me was that she had wonderful children and grandchildren and she was proud of all of them...even while she was ill she always thought of others first and this was a true reflection of the kind of woman she was. Her smile and love will forever be in our memories.
