REMEMBERING

Patricia McCann (Patsy)

Died: January 1, 2019

On January 1st 2019, we lost the kindest and most caring mother, nana, auntie and friend. Patsy passed away peacefully, surrounded by her loved ones after a short and courageous battle with cancer.

Patsy is survived by her dedicated and loving children; Frank (Lois), Billy (Dorothy), Helen (Jeff), Gary (Angie), Shauneen (Casey) and their families. She is also survived by her siblings, both here and abroad.

Patsy was a dedicated mother. She treasured her children and embraced every moment with them. She especially loved her role as Nana. She had a loving, kind personality and always made everyone around her feel loved and accepted. She made friends everywhere she went and loved her prayer meetings, a good cup of tea and a chocolate bar.

Patsy was born in Belfast, Northern Ireland in 1942 and moved to Canada with her husband Frankie and their children in 1973. Patsy is now in God's loving care where she has joined her beloved husband Frank and her grandson, Conor. She is gone but will never be forgotten.

Prayers – Thursday January 10th at 7PM.

Funeral Mass – Friday January 11th at 11 AM, held at Precious Blood Parish, 17475 59 Avenue, Surrey BC.
