Bakerview Community Crematorium & Celebration Centre Staff send our condolences to family and friends.

Tribute from Ann Meijer

Our sincere condolences with the loss of Paul. it must have been hard that he passed away so suddenly. We have met him a couple of years ago, at one of the family reunions in the Netherlands. We will always remember him as the very kind and impressive man he was. Born at the same day, in the same place, at the same hospital, he has been, and will always be special to me. May he live in your memories.

You were my life long friend. We did so much fun stuff together for so many years while growing up. I can't believe you won't be joining us at the Ladner Car Show or at the Brid Sanctuary anymore. Now you can be happy on the other side. No more struggles or bills to pay. Rest well dear brother.
