Relation: Friend and Salad Provider

Pete was a truly bright light and a memorable person. He was a cherished long term guest here at Boston Pizza and was a delightful conversationalist. Pete became a friend and mentor to all and was quick and generous with his advice and experiential anecdotes. His stories will be missed. Thank you Pete for sharing so many lunches with us!

**Tribute from Robert Dares**

Relation: I lived to the west of Lawrence's lane, Peter lived east of Lawrence's lane, next to the Patullas

Sorry to hear that you are gone Pete. You were my best friend in 1949 and we were always together. We went to school together, we played together, we went to the Saturday matinee together. Now that I have found you, it is too late to say goodbye.
