Tribute from Colleen and Frank Vipond

Very sad to hear that you lost Ralph, I just saw him a few weeks ago at the mall, we passed in our cars and said hello and gave a little wave. We just never know when its our time. I take comfort in knowing that Jeff and Joe and the rest of the family are all there with you. We send you our deepest regret that we will not be in town for the Celebration of Life for Ralph, but we will be there in spirit. One breath at a time Roma, then one day at a time....Love Colleen Vipond
