Tribute from Bakerview Community Crematorium & Celebration Centre Staff

Bakerview Community Crematorium & Celebration Centre Staff send our condolences to family and friends. Our thoughts and prayers are with you all.

Tribute from Natasha King

My thoughts go out to Melissa, Brodie and Dylan.
This is never easy but he is at peace now.
Randy was a gentle soul in a rugby player's body. He had great stories from all his years on road and kept me laughing on our checkrides. He especially talked about growing up in Gibsons his old cars and the one time that one ended up rolling off the ferry!
Randy joined FedEx Express 11/06/1989 and worked routes in most areas of the city but I really think his favorite was the most recent one as a Mission Domicile. He used to joke that he loved his "commute", which was walking down the front walk.
Randy was very thougtful and spoke fondly of his children. If we had any little trinkets or awards distributed at work Randy would always arrange to take two home for the boys so they would each have one.
Thank you Randy for your support and friendship over the years.
Rest in Peace. Natasha
