My sweet & loving uncle. There are no words to describe what you meant to me, & to all of us. You were the glue to this family & nothing is ever going to be the same. I love you with my whole heart & I am so proud & honoured to be your niece. You saved 2 peoples lives after you passed & that's a true testament of who you were. You would give the shirt off your back. So proud of you & I'm going to miss you everyday. Every minute. Every hour. Every year. My sweet & loving uncle Deano Counting down the days until I get to kiss your cheek again
