Tribute from James Meyer and Wendy Young

We are deeply saddened to hear of Ray's passing. Condolences to the Plovie and Halbauer families. We knew Ray from those campfires at Allison Lake and enjoyed those late nights talking and laughing. Jamie always sought advice from Ray, as he knew everything a "guy" should know...hunting, boating, camping and tools. Ray was always willing to share his laughter and knowledge with us neighbours at the lake. Let me take this time to say that you have a beautiful and loving family. Thank you for letting us get to know you. Will miss you.

Tribute from Christopher and Malory Caltagirone

Our condolences to Jodi and the Plovie family. Words cannot express how sad we are to hear of Ray's passing. Ray was one of the coolest guys we've ever met and Mal and I feel privileged to have known him, if even for a brief time. Ray's laugh was contagious and he will be greatly missed.

Tribute from Brett Massey

I couldnt believe it when I heard it, I still can't. 9 years ago I first stepped foot on Ray's truck and he was my tool guy ever since. The first tool I ever bought was off you. Even when I was out of his territory id still call him and meet him on the back roads to square up and have a few laughs. I loved to bug him about the price of his tools, and he thought it was funny. Man was he a Snap-On guy and I mean he wore it on his heart. We'd always take kidney shots at mac tools because we thought it was funny because we knew the DIFFERENCE.

Around Christmas time I was buying a tool for my dad and it was on back order, so Ray pulls out his phone and says we will see in less than one minute if it will be here on time I respond with "really?" Ray responds with "It's called professionalism man, what does this look like, the ***** yellow truck?" Man we got a laugh out of that. Sure enough you were right and they responded within a minute. Impressive. You even hooked me up with a tool box, a beautiful one too and I still thank you for that my friend. I think ill keep my 95th anniversary shirt you gave me for Christmas on the wall, it was my favorite.

My heart truly goes out to Ray's family. He was a good man and I will miss him.

Tribute from Shawn & Dayna Barzen

Ray was like a older brother to me when he first came into my life and taught me all the bad things

that older brothers are supposed to do at that age. A couple of sleepless nights by my mom, but we will save those story's for another day. Lots of great camping and fishing trips. You taught me a lot about the outdoors and for that I'm greatfull.. Too many good memories to write them all down. My only regret is that we lost touch over the past years and for that I'm sorry. You will be sadly missed. My condolences to Jodi and the rest of the family. RIP Ray.

Tribute from Desiree Hendriks

I am so saddened to hear about the loss of Ray Plovie..I used to call him "Mr. Plovie" when I saw him when he visited the family business of Transaction Automotive. Mr Brett Massey could not have described him better. A wonderful man to know, a great sense of humor, and an increadeble business man to his clients/friends. He will be sorrily missed by both myself and everyone he touched at Transaction Auto. My love to his entire family at this terrible time.

Tribute from Preston Lahmer

Although it's been a long time since we've been close like the good old days I remember, yesterday reassured me how amazing of a man, husband, father, friend and snap on brother you were. The amount of love shared yesterday, though does not make it any easier, it makes me proud to call you family. I hope you rest peacefully and gracefully for eternity. I can only hope you are blessed with the presence of your father and my father, two more souls gone too soon. I love you bro. And as I used to say I love you "uncle ray"
