Tribute from Dan Roberge

Relation: First cousins

You were always bigger than life! We had some good times together back in the day, memories that I'll always cherish. When I was a kid I looked up to you ... now so many years later I can still look up and know you are somewhere up there dear cousin ... never to be forgotten!

I didn't lose you completely. I lost your voice, your smile, your presence. But what I do have is the memory of you that lives inside me and follows me everywhere.
