Tribute from Cornelia Both

Rick always made us smile. His joy in life was contagious, and our time, albeit far too short, with Rick in this life, has been a privilege. We loved him from the first time we met him. Rest in peace dear nephew. Our hearts and deepest condolences go to Alexy, Tony, Michelle, Chris and families. With much love Naya and Uncle Art.

I was privileged to be your friend for 12 years and play over 100 rounds of golf with you. Your confidence, big laugh and honesty made me enjoy every one of them. Your genuine personality touched the hearts of so many, and we will remember you always.

Tribute from Jamie Allport (Lynd)

Relation: Friend

Ricky, I will always remember you as that sweet,funny, tough little kid that kept up with all of us big kids as we ran around the old neighbourhood. Growing up, you were like a little brother to me. I remember the last time I ran into you, you had grown into such a handsome man.

I'm so sorry that you were gone so soon.
To my Schneider family, there are no words to make this time any easier, know that I'm thinking of you and sending love your way.
