REMEMBERING

Richard Anthoney Schneider (Rick)

January 23, 1982 - June 6, 2024

It is with deep sadness that we announce the passing of our dear son Rick. Growing up he loved playing hockey, lacrosse and baseball. As a young man he attended Kwantlen College and became a level A welder, highly skilled he was able to work on major industrial projects that took him to some remote places, his favourite was Dawson city, Yukon. He was also a skilled tile setter, and worked with his father and brother on many McDonald's projects from northern Manitoba to the Kootenays in British Columbia, but his biggest passion was golf, and the friendships he made and treasured over the years. A sense of humour, kind and a heart of gold, Rick was loved by so many and was a special gift from God to us. He is survived by his mom and dad, sister Michelle (Marijan) brother Christopher (Sophia) niece and nephew, Josie and Justin, and all the aunts, uncles and cousins.

May you rest in peace, our precious , beautiful son.
