### **Tribute from Fe Cuizon**

Relation: Brother in law

"In these moments of heartbreaking grief, I remember the only reason we have an empty space , is because we have blessed with someone who loved us so beautifully it occupied an entire part of our soul." Chris & I are very sad, shocked on your sudden passing. You were a kindhearted, gentle person full of wisdom specially on business matters . I witnessed your dedication & love to your family way back in Doha, Qatar in 1981. Until your family & I fulfilled our dreams to migrate to the west . You headed to Canada & me to America .I witnessed you & Ate we're overjoyed on the birth of you 1st Son Ryan, then Raymond , 2nd Son , and you were very ecstatic on the birth of your beautiful daughter Sarah, a Daddy's girl. I saw your children grow up and now have their own families & Blessed with Apos (grandchildren). Our communication with Ate continued even though we were continent apart. On our Retirement we could have traveled all together. All your success , happiness, sadness, I was part of it. You exited too fast to have joined our Lord. For this matter we grieve with your family. We are family, & your memories will be in our hearts now that you're sitting beside the throne of our Lord smiling . Rest In Peace our dearest brother Robert. Love & Prayers MAMANG Pat, Chris, Fe

**Tribute from Dil Kang & Sharaf Rizaie**

Relation: His Real Estate Agents

Robert was a recent client of ours and we helped him sell his investment property in Guilford. Throughout the transaction, he helped us learn a lot about investing in real estate, the life lessons he took from his time as a bar owner and an entrepreneur. I knew Robert as the "Real Estate Man". He had an investment portfolio of properties that I aspired to have. I met Robert 3 months before he passed and got to learn a lot about his life. He inspired me in so many ways and taught us little life lessons like we were his children. My fondest memory of Robert was when I went to his house to help him find a storage locker for all the goods he had stored in the garage of the house we had helped him sell... he insisted that I take the golf bag he had lying around his house which he never used.

Deep down Robert had a GOOD HEART, GOOD SOUL & GOOD INTENTIONS.
