**Tribute from Louise & Larry Proke**

Dear Bernice, Nathalie, Jennyfer, Daniel and all your family members. I (Larry) got to know Rolly when

he took the position at Bishop's Green. He very quickly adapted to his role which was very demanding on his time as the complex consisted of 119 homes. He was very cheerful and friendly to all and very quickly established himself as the "go to" person when owners' needed help. To Rolly, no task was ever too small or too big for him to get involved. He very seldom said "no" to requests for his help. He made himself available seven days a week. I recall a Strata Council meeting when a Council member was insisting that Rolly had to start saying "no" to some of the calls for his help. Rolly thought for a moment then replied - " No, I will never do that - there I said no". That was Rolly. I had the pleasure of spending a lot of time with him assisting him with many projects around the complex. He never complained as he believed that all tasks fell within his scope of duties.

We will miss him dearly and you are all in our thoughts and prayers.

Sincerely

Louise & Larry
