For someone as unique as Cassidy to bless us all in the world, only a great mother could be the start! Sally I've never met you in person, but I have been living in the world along with yall. And your efforts will continue to be impacted for yeats to come. Memories are the proof, that you were a Rockstar! Much love!

My sincere condolences to the entire family for this great loss. Sall was an amazing person, always positive, and always a pleasure to talk to you. I enjoyed getting to know her and always looked forward to a conversation with her at the various different family gatherings over the years. Losing somebody is important as Sally is always hard, but I wish you many smiles as you think back to all the amazing memories and how she touched all of your lives.
