Tribute from Bakerview Community Crematorium & Celebration Centre Staff

Bakerview Community Crematorium & Celebration Centre Staff send our condolences to family and friends. Our thoughts and prayers are with you all.

Tribute from Louise Graham and Egon Nissen

Sam was a wonderful person - always very helpful, knowledgable about so many things, very ready to lend a helping hand. If he saw something that needed doing, he did not wait to be asked to help. He would just do it. We need more people like him in this world.
Rest In Peace Sam. We will really really miss you.

Tribute from Johnny Yuen

It is with great sadness that I must accept Sam's tragic passing from this world.
My friend of over 23 years, he was always there willing to support all who were
close to him, either in spirit, blood or kinship. He was one of the "good guys"
who was quite often selfless and sincere with his generousity and patience.
For what it's worth, I knew that life was often unfair and unrewarding to this man.
Yet he ignored these discouraging distractions and kept up a brave optimism and for
that I will always remember him as a real genuine hero.

Though I do feel ashamed for not showing it often enough over the years,
I am proud that you regarded me as one of your friends.
I shall miss you. Rest in final peace my friend.

Tribute from Jean & Alan Gregson

We were so very sorry to hear that Sam had passed away. He was a very nice man with a loving, giving heart. He provided wonderful support to Pat and her family in very stressful times and always seemed to put others before himself. He will be dearly missed.

Tribute from Pam Shaw

To Sam's children - our sympathies for your loss. Sam was a bright light who we knew as a fun-loving gentleman whenever he was in Manitoba with our Aunty Patsy. We will remember him and his kindnesses at our family gatherings. He never failed to remind Craig and I that we attended Miles Mac, "just like my daughter". Our thoughts are with you in this difficult time.

Tribute from Pam Shaw

To Aunty Patsy - we are thinking of you at this challenging time. When you and Sam would come into town together, you were always a happy and welcome duo. This time may pass, but those memories will live on. Love, the Shaws.

Tribute from Bill and Janet Andres

I will always remember Sam for his hearty laugh and they way he interacting with people. Sam had a genuine caring heart and showed it often through kind words and deeds. Sam was very encouraging to me (Janet) when I went through my own bought with cancer - with weekly calls to see how I was doing. Sam never missed calling on our birthdays or anniversaries and always looked forward to seeing the family whenever he could. You are greatly missed Sam.

Tribute from Joanne L. (LaRocque) McClelland

Sam was a remarkable and caring person. I considered it an honor to have worked with Sam. It was the beginning of a friendship that continued even after the workplace. My sincere condolences to Pat and all the family and friends. Our loss is great but we can cherish the wonderful memories forever. The physical part of Sam is gone but his spirit is with us eternally.

Tribute from Elaine Harder (Rogoza)

Even though I haven't seen Sam in years (unfortunately, we lost contact), I can still hear his laugh. He had one of those genuine hearty laughs that I'll always remember with fondness. I feel bad that I lost touch with such a genuine, caring man. I where I first met him. It was at a shop steward's course. He was quiet unless he had something to say. Then we ended up in the same group of friends at the Union campout and we got to know each other a bit more. He was always generous and kind, and always willing to go that extra mile for anyone, if he knew them or not. We will all miss you Sam. Rest in Peace. Always your friend, Elaine Harder
