Tribute from Shannon Phipps

Relation: step-sister

oh Jaden, I'm so so sorry that you lost your mom so very soon. I am very thankful for the great memories you guys got to build! Her love for you was so deep, she sacrificed much in order to give you a great life. Of course time will allow healing, and for the pain to hurt less sharply. But for now, grieve, talk about her, share her memories and smile about them.
