Hi Momma. I wanted to let you know that finally my car has been repaired. It's styling a brand new convertible top. Every time I came to visit you would always ask "what's going on with that car of yours" I can finally tell you it is fixed after 7months.  
I sure do miss our talks Ma. I hope u are at peace

Hi Momma I hope you are resting well. It's been 1 week since we had your beautiful Celebration Of Life.  
So many of your friends and family came to celebrate you and the amazing women you are.  
Today I am really missing you. My tears continue to flow. I wish I could pick up the phone and tell you how much I Love You. Missing you today and always.  
I Love You Momma

Hi Momma it is Dec 5, 2016 and we have had our first snow fall of the year. It was beautiful earlier this morning. Big ol fat snow flakes, has now turned to rain.  
I wish you were here to see it  
Today is also a big day. Sammy is starting her teeth work. I spoke with her this morning. She seems kind of scared but I know she will be ok.  
We all could use our Momma to talk to.  
Missing you a lot Momma

Hi Momma it Dec 21, 2016. I am feeling very sad today. I miss you more and more some days Mom. Christmas is coming up fast and this will be the first year you aren't with us.

It's hard not having You, Dad and Gram.

On a Happier note all your girls will be together for Christmas with most of your Grandkids and also your 2 of your Great Grandbabies. This year Baby Carter won't be here but let's hope for next year.

I Love Ya Ma. Xoxo

Hi Momma.

Sorry I haven't left you a message lately it has been very hectic over the Christmas and NY.

Well all miss you ALOT. Christmas dinner was nice but not the same without you

Shawn & Jay had Pat & Ran, Ty & Brooke, Weston and Baby Riley (she is the prettiest little girl you ever did see Mom). and myself. Of course Kurt couldn't make it. Sammy went to stay with Grego. They did some ice fishing but never caught a thing.

Something really nice did happen, Patty phoned Sammy and they apologized to one another. They hadn't been getting along for sometime. It's nice to have all my Sisters loving one another. Makes life easier.

The 3 of us girls have planed a trip to Playa del carma (Mexico)

In Feb. Sammy is unable to make it due to her teeth reconstruction but us girls and the guys will have a great time.

Kurt and I are taking off on our own for 4 night of scuba diving in Cozumel. Something you know I really love to do.

I am not sure what you do up in heaven Mom but I had a dear friend take his life on Christmas Day His name is Tom Gilham if you happen to touch wings with him can you please tell him I miss him very much.

I Love You Momma. I hope you have found some of your old friends.
