Tribute from Dave Garvin

Sylvia was the kindest, gentlest human I have ever encountered. She had an aura of beauty and grace that she shared with everyone she came into contact with. Her physical presence will be missed immensely. But this beautiful spirit will live in our hearts forever. Goodbye, Sylvia

Relation: I collabed songs with her on YouTube

I am so saddened to hear of Sylvia's passing. I havent been on YouTube for a long time and learned of it about a year ago but couldnt find anything about it until now. She was an amazing person and I loved singing with her
