Relation: Friend

Terry's wonderful smiles and hugs will stay with me. I truly valued learning and sharing with him a new Oneness approach to life as a friend in transition about 30 years ago. Appreciated the joy he experienced in being Toby the Clown and spreading this joyful fun to others. Terry's friendship enriched my life and I will always be grateful to have known him. To his family: I share your sorrow in his loss but believe his bright light will shine on.

**Tribute from Irene Freeman**

Relation: Terry worked with me on planning a 4-day Good Sam Rally in May but we also knew him from Good Sam outings.

Eva and family,

My sincere sympathy for the passing of a wonderful man. I lost my husband on Oct. 28 so I understand the loss to a family. Terry was so conscientious about finishing his Good Sam tasks last May even though he was sick. I had so much respect for his dedication. I am glad our two husbands were able to visit each other in Abbotsford hospital and now they visit in heaven..
