Tribute from Maureen Wilkinson

Relation: His sister

Dearest Ashley, Angie and family.
Your Dad was quite the guy, as a little girl I remember how he'd nicknamed Terry and I and himself. Wayne became Blueboy, Terry became Joeygubanear, because I couldn't say Joey come here!! I became Bubalouie. He'd ask us if we wanted a B-fight..whatever that meant but we'd obliged and started to beat him up! Was a great game and he still called bubalouie when ever he saw me. He had Terry and I up on the garage roof one time, don't think I was more that 3, think that's the tome the neighborhood bad Boys shot a pea shooter at us and the pea went promptly up Terry's nose! our parents were none too happy that 1, Wayne had us on the roof and Terry ended up in emerg!! Oh the fun.
Memories, hold tight to them.
With much love Aunty Moe & family

Tribute from Glenn McMath

Relation: Brother

Wayne you will be missed. Unfortunately we did not have as much time to see each other as our families required our attention. I always looked forward to seeing you when I was in seeing Mom and Dad. Loved hearing your stories and your love for your girls. I am thankful for the times we spoke on the phone after Mom’s passing. Thankful you were my brother. Enjoy your reunion with all that have gone before you.
