Bakerview Community Crematorium & Celebration Centre Staff send our condolences to family and friends.

Tribute from Marilyn Butchart

Relation: Friend

I am deeply saddened by the loss of your mother and my friend. We met through the Mission and District Lions Club, and became instant friends. Through our friendship and with both her husband (Keith) and my husband Rick being ill, we joined the Caregivers Support Group where we met other people who helped us deal with both our husbands passing. Through this group we were able to help them cope with their feelings also. Our friendship grew through the passing of our husbands and we were able to grieve, talk, laugh and help others in some of the same positions as we had been. Many times we talked on the phone or just cried but we got through that time to have a stronger friendship. I will miss talking to her in person, on the phone, we always had good conversations. Please accept my condolences, and remember all the good times you had as a family.

Tribute from Fred and Judith

Relation: Colleagues and friends

We were so sad to learn of Wendy's death and we will miss her in so many ways. She was a friend and colleague in many groups including the Pleasant View, Welton Towers, MASH, and Legion boards and connections. We appreciated her good sense of humour and how readily she shared her caring with others openly and generously. We send our love and support to her family. She will be missed

Wendy contacted me online years ago about our mutual McCormick family genealogy and we've been friends ever since. So sad to hear of her passing. The tribute written by her granddaughter is beautiful and "saw" Wendy in every line. I am so sorry for the family's loss.

I am so sorry with the loss of your mother. I got to know Wendy because of her puzzles. We exchanged emails. She was a friendly and happy woman. I am still shocked that she is no longer here.

Tribute from Dorothy Mather

Relation: I met her online.

I first met Wendy through an email friend in England almost ten years ago. The three of of used to speak on Skype discussing genealogy, our families, what they were doing, our pets, etc. I felt I knew all of you as well as my own family.
Wendy was a person who could multi-task like no one I have ever known. She was also a very funny person with an infectious laugh who could lift a person's spirits no matter how badly they were feeling on any given day.
To her family - Tracey, Jeff and Brooke and also to her many friends, I extend my sincerest condolences. I will miss her.

Sorry for your loss, Jeff, Tracey, Brooke and families. Wendy was a beautiful individual and loved life to the fullest. I didn't find Wendy until a few years ago when doing genealogy , but when we did get together loved to reminisce about my mutual families.

Tribute from Mark & Jenny (neighbours)

Relation: We've been Wendy's next door neighbours for more than 35 years

Wendy, so very sorry to see you gone. We, your neighbours Mark and Jenny, knew you for over 35 years. You were always gracious, taking care of our plants, picking up our mail, or watching over our place when we were working overseas. are really going to miss having Wendy as our neighbour. We are really going to miss your spunky laugh, and your whistling for your little dog, Libby, to come back inside. Most of all we are going to miss you.
(Please let us know of any upcoming memorial service, thank you.)

Tribute from Deb Tyaon

Relation: Friend

I am saddened to hear of Wendy''s passing. I have seen Wendy in years. But every once in awhile she would contact me or I her just out of the blue. We were both so tied up in our lives it was so hard to get together.
Wendy was my first friend when my family and I moved to BC from Ontario. We worked together at Buckerfields in the accounts receivables dept on Ventura Ave in Abbotsford. I remember both of us spending our days laughing she had quite an infectious laugh. She had a huge impact on my life. I hope I see you again girl. Hugs.
