Memories are a precious gift to hold tight to. Enjoyed the good times working with Bill.

Tribute from Kermit Thornley

Our condolences to Bill's family. I worked with Bill at the Westwood compound. As we gathered for work every morning, Bill was the one man on the crew that when he arrived everyone took notice of. He had an attention grabbing presence and we were all hoping he had to-days morning anecdotal observance of life that would start all of us off with a smile. Good friend, good co-worker, good man.
Adios mi amigo, hasta luego

Tribute from Sara, Tyson and Shayla

Angie and family,
Thinking of you all during this time of sadness. May you find comfort in each other and keep his memory close to your heart. "When someone you loves becomes a memory, their memory becomes a treasure."
Hugs to you all.
