Bakerview Community Crematorium & Celebration Centre Staff send our condolences to family and friends.

Tribute from Nigel Walker

Very sad this morning opening the paper and reading about Wynn's passing. I met Wynn approx 12 years ago while designing their addition to the office building. He was always a welcoming person. He was eager to tour me through the mill as well as describe in detail what all of the functions of the massive equipment were. You could tell he was proud of his business, employees and partners. He will be missed by the community his family and friends. Rest in peace my friend.

Tribute from Damian, Vivian, Amber & Joshua Searwar

Our heartfelt condolences to Tracy and family. So sorry to hear of Wynn's passing. He was a generous man and a wonderful neighbour, often seen driving around, checking out the safety of the neighbourhood. In summer, Wynn never hesitated to offer to our kids, Amber and Joshua (and their friends) to swim in his backyard pool. Your kindness will not be forgotten. You will be sadly missed.

Wynn was one of the most loving, caring, genuine people that I had the pleasure of knowing. I have a lot of great memories of him that I will always hold close to my heart. He was one to do everything to the extreme, and made a lot of people smile. I am very fortunate that he spent his last years with my dear friend Tracey. RIP my friend until we meet again.
